### **Chapter 01 - Institutional Profile/Executive Summary**

### 1.1. Introduction

Public finance management is related to the subject of managing government resources i.e. government revenue and expenditure in a manner that could have an immediate impact on the country's economy. As societal needs will inevitably greater than the resources available to the government, all public resources shall be used as efficiently and effectively as possible with a minimum of economic loss and wastage. Efficient Public Financial Management is at a center for the economic development as it creates a relationship of mutual trust and shared consensus between government and citizens in the economic development process. Reforms in Public Financial Management systems, processes and institutions are required to maximize the efficient use of limited resources, with a greater level of transparency and accountability in government finances to secure long-term economic success while offering better services for the citizens of the country.

### 1.2. Vision, Mission, Objectives of the Institution

#### Vision

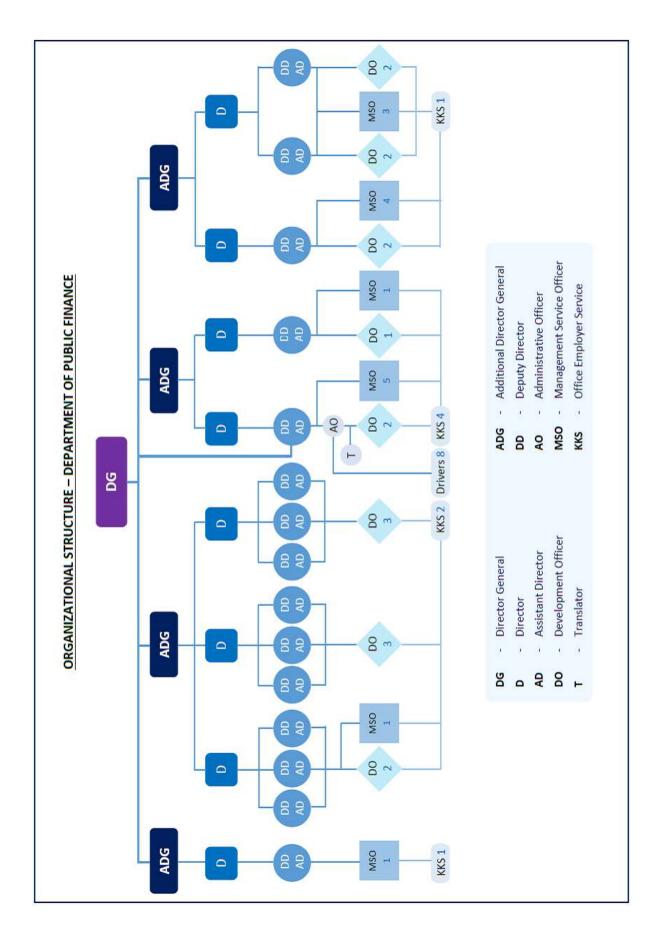

"Create a sound public finance regulatory framework to improve transparency, accountability and service delivery in the public sector"

### Mission

"Formulate, develop, review, update and follow up the systems and procedures in the Public Financial Management in order to strengthen broader governance environment within which public sector operates supporting institutions for public accountability"

### Objectives

- Formulate, develop, review, update and follow up the policies, systems and procedures in Public Financial Management (i.e.- Financial Regulations, Government Procurement Procedures and Practices) to give maximum accountability and transparency.
- (ii) Promote public sector good governance and assist the Parliamentary Committee on Public Accounts (COPA) to ensure effective and efficient utilization of Public Funds.
- (iii) Review and monitor existing departmental fees and charges and explore the possibility of generating non-tax revenue in effective manner.
- (iv) Regularize review and monitor the funds set up under Ministries and Departments for different purposes to ensure effective and efficient utilization of public funds.

#### **Chapter 02 – Progress and the Future Outlook**

The Department of Public Finance plays a central role in relation to financial control of the public sector and, it has made a positive contribution during the year 2020 for the continuation of a sound public financial regulatory framework that improves the compliance to the provisions of financial control in public sector institutions, transparency, stability, accountability and service delivery in the public sector.

- 02. The most significant act performed by the Public Finance Department during the year 2020 is that, to repeal a number of 80 Public Finance, State Accounts and Treasury Operations circulars and to issue two new circulars namely 01/2020 and 2/2020 having accommodated their provisions in a user friendly manner for easy reference. This may be considered as a milestone in the Public Finance Management. Apart from that, for the purpose of facilitating the policy of encouraging local industries, three circulars and two supplements have been issued to the Government Procurement Guidelines 2006.
- 03. Parliamentary Committee on Public Accounts (COPA) annually evaluates the General Accounting Procedures, Financial Control and Performance of public institutions through a computerized network system and, it was a huge achievement that the Department of Public Finance could win the award for the institutions with a high performance level in the years 2017 and 2018.
- 04. The officials of the Department of Public Finance rendered their assistance with the participation in the meetings of COPA which has been established in terms of the Article 74 of the Constitution and the Parliamentary Standing Order No 119. Based on the recommendations in the COPA report which is submitted to the Parliament, the Department of Public Finance has issued Treasury Minutes in 2020, as per F.R. 153 with the intention of maintaining a sound financial management in public institutions. Further, having considered the respective audit queries and audit reports issued by the Auditor General, follow-up actions have been taken in 2020, by delivering instructions to the Chief Accounting Officers and Accounting Officers of relevant Ministries, Departments and Institutions with regard to taking corrective measures over the shortcomings in public financial management in their institutions.
- 05. The Department has taken actions to issue appointment letters to the Chief Accounting Officers who should act as Chief Accounting Officers in terms of the F.R. 124, and to the Accounting Officers who should act as Accounting Officers in terms of the F.R. 125. Also, letters have been issued by the Department to the Accounting Officers, having appointed them as Revenue Accounting Officers for the institutions that have a Revenue Head as per F.R. 125(2).
- 06. In 2020, Treasury approval has been granted to the requests made by 10 Ministries to write off under F.R. 108(3) and to grant waivers under F.R 113, subsequent to waiving-off as per Losses and Waive-Offs as specified in the Section 3, Chapter II of the Financial Regulations (1992) for the request made by Ministries, Departments and other Public Institutions.

- 07. In terms of the Foreign Missions Circular No.2/92 of the Ministry of Foreign Affairs, the Department of Public Finance is responsible for the recovery of due taxes to the government on disposal of vehicles used by diplomatic missions and accordingly, an income Rs. 32,224,818.00 has been credited to the government revenue through the disposal of 27 vehicles of diplomatic missions in the year 2020.
- 08. The Ministry of Finance is engaged in issuing observations of the Hon. Minister of Finance, with regard to the Cabinet Memoranda submitted to the Cabinet of Ministers under multiple subjects by relevant Ministers. Accordingly, the Department of Public Finance issues observations and recommendations regarding the Cabinet Memoranda on the subjects of procurement, Government Funds, Financial Regulations or Public Finance Management and in the year 2020, observations have been issued for 463 Cabinet Memoranda and recommendations were given for 196 Cabinet Memoranda.
- 09. With the objective of accelerating the public procurement procedure, the Department of Public Finance, in 2020, has appointed 46 Standing Cabinet Appointed Procurement Committees (SCAPC), 40 Cabinet Appointed Procurement Committees (CAPC), 47 Cabinet Appointed Negotiation Committees (CANC), 03 Standing Cabinet Appointed Negotiation Committees (SCANC), 39 Cabinet Appointed Consultants Procurement Committees (CACPC), 136 Project Committees (PC) and Technical Evaluation Committees (TEC) and 04 Special Committees.
  - 10. The Department of Public Finance, in coming years too, intends to be committed to the further regularization of the functions related to financial management, with the utilization of new technology and timely update of the provisions on Public Finance Management in line with making arrangements to regularize day-to-day functions using electronic methods to the highest possible level and to provide guidance required for the Public Finance Management in accordance with the government policy decisions.

#### **3.5** Notes to the Financial Statements

#### **Basis of Reporting**

#### 1) <u>Reporting Period</u>

The reporting period for these Financial Statements is from 01<sup>st</sup> January to 31<sup>St</sup> December 2020.

#### 2) Basis of Measurement

The Financial Statements have been prepared on historical cost modified by the revaluation of certain assets and accounted on a modified cash basis, unless otherwise specified.

The figures of the Financial Statements are presented in Sri Lankan rupees rounded to the nearest rupee.

#### 3) <u>Recognition of Revenue</u>

Exchange and non exchange revenues are recognised on the cash receipts during the accounting period irrespective of relevant revenue period.

#### 4) <u>Recognition and Measurement of Property, Plant and Equipment (PP&E)</u>

An item of Property, Plant and Equipment is recognized when it is probable that future economic benefit associated with the assets will flow to the entity and the cost of the assets can be reliably measured.

PP&E are measured at a cost and revaluation model is applied when cost model is not applicable.

#### 5) <u>Property, Plant and Equipment Reserve</u>

This revaluation reserve account is the corresponding account of PP&E.

4

#### 6) <u>Cash and Cash Equivalents</u>

Cash & cash equivalents include local currency notes and coins on hand as at  $31^{st}$  December 2020.

### 5.1 Indicate the Identified respective Sustainable Developments Goals

### **5.2** Achievements and challenges of the Sustainable Development Goals

The Department of Public Finance plays a central role in the financial control of the public sector and, it is responsible for the execution of a sound public finance regulatory framework which improves the transparency, accountability and service delivery of the public sector. Giving special focus to the transparency and accountability, the Department functions in collaboration with other government institutions, with the intention of improving public asset management for eradication of poverty.

Further, the Department is engaged in strengthening the broader governance environment within which the public sector operates, while promoting the actions of legal control and supporting public institutions such as Parliament over the matters on public accountability and ensuring the legality and reliability of public institutions to the achievement of Sustainable Development Goals. In the fulfillment of these duties, the Department provides regulatory and public finance advisory services to the public sector institutions.

# 06.2 **\*\*** Impact of human resource shortage or surplus on the performance of the institution

Achieving objectives and goals would not be difficult if the human resource of a certain institution is controlled under a proper management. Effective human resources in policy formulation and implementation is a factor that affects the performance of the Department. However, the Department has taken best efforts possible to realize the goals and objectives of the Department with the utilization of existing human resource.

### 06.3 Human Resource Development

\* How the training program contributes to the performance of the Institution

Local and foreign training opportunities essentially support the knowledge and capacity building development and, employee motivation of the staff. A positive influence to the performance of the Department of Public Finance is wielded by the training programmes and experience undergone by the staff over the subject-related matters of the Department and also to the general matters of the public service.
